

REMARKS

Claims 1-10 and 12 were pending.

Claims 1 and 10-11 are cancelled.

Claims 2-9 and 12 are amended.

Claims 2-9 and 12 are pending.

35 USC 102(b)

Claims 1, 8 and 9 are rejected under 35 USC 102(b) as being anticipated by US 3,367,926.

Applicants cancel claim 1. Thus the 102(b) rejection of claim 1 is overcome.

Applicants reserve the right to file a continuation and/or divisional on the cancelled subject matter.

Examiner states that claims 2-9 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form. Applicants have amended their claims in order to more particularly point out and distinctly claim their invention. Thus, the limits of originally filed claim 1 have been incorporated into claim 2. Claim 2 is now an independent claim. Claims 3-9 and claim 12 are now amended to depend from claim 2. Thus the Examiner's objection to 2-9 is overcome.

No new matter has been added.

Reconsideration and withdrawal of the rejection of claims 1,8 and 9 and the objection to claims 2-9 is respectfully solicited in light of the amendments above.

Since there are no other grounds of objection or rejection, passage of this application to issue with claims 2-9 and 12 is earnestly solicited.

Applicants submit that the present application is in condition for allowance. In the event that minor amendments will further prosecution, Applicants request that the examiner contact the undersigned representative.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Tyler Stevenson', with a long horizontal flourish extending to the right.
